Sahara Hospital becomes the only hospital in Lucknow to have the prestigious NABH accreditation presently

Lucknow, April 17, 2015: Sahara Hospital, the multi super specialty, tertiary care hospital in the region has been accorded the prestigious NABH (National Accreditation Board for Hospitals & Healthcare Providers) accreditation which has made Sahara Hospital presently the only NABH accredited hospital of Lucknow. NABH accreditation happens to be a process in which certification of competency, authority, or credibility is presented. This certification puts emphasis on improvement of medical quality and safety of the patients.

While expressing his feelings, **Dr. Mazhar Husain, Director – Sahara Hospital,** said, "It gives me immense pleasure to share with you that Sahara Hospital got NABH accreditation. Sahara Hospital is equipped with the best experts, high-end technology as well as systems and facilities which take total and emphatic care of patients. I congratulate the entire team of Sahara Hospital for their efforts."

While commenting in context of NABH accreditation, **Shri Anil Vikram Singh, Senior Advisor, Sahara Hospital,** said, "Providing a wide spectrum of high quality ultra-modern healthcare services under one roof to the people at an affordable price has always been the prime objective of Sahara Hospital. This accreditation manifests our zeal in keeping intact the safety of our patients and reaffirming Sahara Hospital's motto – Curing through Care. It thus reflects our incessant endeavors of bringing a smile of health on the face of all our patients. This has been possible because of hard and dedicated work done by team of Sahara Hospital."

Dr. H.N. Tripathi CMS & Co-ordinator Medical Care, Sahara Hospital, said, "I congratulate all the team members of Sahara Hospital on NABH Accreditation. I am happy that NABH Accreditation Committee recognized our efforts in extending protocol based medical care to patients".

NABH is a constituent board of Quality Council of India, set up to establish and operate accreditation programme for healthcare organizations. The board is structured to cater to much desired needs of the consumers and to set benchmarks for progress of health industry. NABH is an Institutional Member as well as a Board member of the International Society for Quality in Health Care (ISQua). NABH is a member of the Accreditation Council of International Society for Quality in Health Care (ISQua) and is also on board of Asian Society for Quality in Healthcare (ASQua).
